THE HIDEAWAY IN THE ALPS

MY ASTORIA SPA WORLD

Dear Every-Day-Life, please stay outside: these hours, this tranquillity belongs exclusively to me!

The Astoria SPA is my personal oasis in my HIDEAWAY, my retreat, where I can hide, where I can escape from the world outside. I immerse in another new world, in the realm of senses, calm, harmony, pleasure, beauty and health.

The reconciliation of body and soul – you can see the effect in my glowing charisma and on my skin. I am able to present myself, my personality, my naturalness, my unique being.

It is close to the Astoria SPA Team's heart for you to feel good, healthy and beautiful.

Every tender touch can give you pleasant shivers - on your skin and in your soul. A warm sun beam, a gentle song, a celestial fragrance – many little tittles can go under the skin. You only have to be aware of them, let them in, feel them. I feel myself, I feel new...

Pure enjoyment for more pleasure in life!

To be in harmony with myself – my inner and extern beauty – my feeling well.
I indulge in myself. I deserve it.

Astoria SPA – simply to be myself
